

Choice Fair is when applications open for NeoCity.

Choice fair is November 20<sup>th</sup>.

CHOICE Applications open November 20<sup>th</sup>

How to apply:

Step 1- Apply for CHOICE on SDOC website. Pick an Interview/ Collaborative Team date on Calendly. (January 11<sup>th</sup> or 25<sup>th</sup>)

Step 2- Prepare PRINTED copies of the following to bring to the interview.

- Sealed teacher recommendation form.
- 7<sup>th</sup> Grade FAST scores (Reading, Math, etc.)
- Current school year grades (Q1 & Q2)
- Evidence of current or previous grade in Algebra 1

Step 3- Attend Interview/ Collaborative Team Activity at NeoCity on date signed up for.  
(Don't forget your documents!)

Campus Preview:

If you are looking to visit our campus, we host campus preview nights each year. Additionally, there are also parent tours that you can book and be toured around our school by our own students! To book a tour or in gather more information about preview nights please email Jeremiah Swartz at [Jeremiah.Swartz@osceolaschools.net](mailto:Jeremiah.Swartz@osceolaschools.net).

When do decisions come out:

Decisions are usually released early to mid-February!

How does NeoCity Academy select their students:

Students are selected on a series of admissions requirements including math and reading placement scores, teacher recommendations, video interview and a collaborative team activity.

Transferring to NeoCity:

Transfer students (students coming to us from another high school) are welcome at NeoCity Academy. In fact, NeoCity Academy has welcomed several transfer students each school year. While most students transfer high schools between semesters or during summer, NeoCity Academy may allow a qualified student to transfer mid-semester if needed.

Transfer Student Application Process:

Transfer student applications may have certain elements of the application process waived depending on the situation. To learn how you can transfer to NeoCity Academy, please contact our Admissions Office at 407-933-3903.

Dual Enrollment at NeoCity:

At NeoCity Academy, our students will have opportunities to take Dual Enrollment (DE) courses through the University of Florida. The courses will be delivered virtually, which means NEOC students can participate in courses right on campus using their devices. Students can start DE courses during the 11th grade year.

How We Use Dual Enrollment at NeoCity Academy:

Students at NeoCity Academy choose our school in part for our selection of rigorous coursework. When applicable, the use of Dual Enrollment coursework in a student's schedule can help round out a transcript ready to compete at the top levels of college admissions. Our students are able to take, when applicable, coursework of their choosing through Dual Enrollment at the University of Florida. These courses are all taken virtually. Through the combination of UF Dual Enrollment and Advanced Placement, our students will produce high school transcripts that are competitive for admission to top colleges and universities.

How does DE impact your schedule:

Students who qualify and participate in DE have the ability to take one to two courses. These courses are above and beyond the classes, they would have here on campus as a part of NeoCity curriculum. The only instance when a student can use a DE course to replace a period here on campus is when they have exhausted the level of discipline or received an administrative approval due to the select course fulfilling a need in future academics. These opportunities are available to Seniors and Juniors.

Registering for Dual Enrollment:

Step 1: Speak with Mr. Blancett about your intent.

Step 2: Complete the UF DE application.

Step 3: Schedule an appointment with Mr. Blancett to get signed up for the coursework, pending admission

DE Admissions Requirements

- Classified as at Least a High School Junior
- 3.6 GPA (Unweighted)
- PSAT Score (1130\*) or SAT Score (1100\*)
